---

We received some deliverable reports yesterday from Weston, but I didn't find a corrected Wilcox Oil Report. Did they by any chance send that to you directly? If you don't have it yet, may I suggest you check on it? Even though it was labeled Oil, it was a CERCLA funded site and needs to go into SEMS. So I would expect two corrected CDs; one to send to the contractors to in-file, the other one for you.

Thanks, Steve.
